This is a one of a kind home youâ€™ll want to check out! The manufactured home was set in 2006 and then added to in 2013. It features 2 kitchens, 2 living rooms, 2 laundry rooms, 3 bedrooms, 2 full baths, and 2 half baths. There is a huge double garage attached with tons of storage above. The 2640sqft barn is set up as half stalls and half open. This property is a short drive to great hunting and fishing opportunities with public land hunting in Kasatchie National Forest and just minutes from Cane River Lake. The metal roof covers the original home and addition. The pool equipment will need work as it hasnâ€™t been checked out in many years.
