Stop the scroll—this Pineville beauty has it all!

Welcome to 5696 Oak Lane Road, where every inch of this home has been completely remodeled and reimagined with today's lifestyle in mind. Featuring 3 bedrooms, 2.5 baths, and not one—but TWO primary suites, this home is as versatile as it is stylish.

Highlights That Make You Say “Yes, Please!” • Double the luxury: Two primary suites = zero arguments over who gets the “good” bathroom. Chef-ready kitchen: Modern cabinetry, sleek counters, and all the space you need to whip up anything from gumbo to gourmet. Open-concept living: Bright, airy, and designed for gathering—family dinners, game nights, or Netflix marathons.

On-trend finishes: Think luxury flooring, designer lighting, spa-inspired baths, and the kind of details that make friends jealous. Guest-friendly powder room: Because no one wants visitors traipsing through the primary bath.

This is a thoughtful remodel where style meets function. Whether you're looking for space for in-laws, teens, or just your own luxurious retreat, this home delivers. Plus, you're close to everything Pineville has to offer—schools, shopping, restaurants—without sacrificing peace and quiet.

Homes this move-in ready with two primary suites donâ€™t come around often. Schedule your showing before someone else makes it theirs!
