Land on 50.80 Acres

N/A, Deville, Louisiana

Take advantage of highway frontage in Deville! Approximately 50 acres of unrestricted land is now available on Highway 1207. It's located near the Buckeye school area. The front half is currently being farmed and would work great for future development and building. The back half is wooded and lower lying land. Since the land is unrestricted, the possibilities are great! Developers could create a subdivision. You could also buy the land, subdivide part of it to make back part of your investment. It could be a future mobile home park for someone looking for long term investment opportunity. Go drive by and check it out!
